For the avoidance of doubt, and for consistency in terminology, the following definitions will apply within this Policy.

Data	This includes both automated and manual data.
	Automated data means data held on computer, or stored with the intention that it is processed on computer.
	Manual data means data that is processed as part of a relevant filing system, or which is stored with the intention that it forms part of a relevant filing system.
Personal Data	Information which relates to a living individual, who can be identified either directly from that data, or indirectly in conjunction with other data which is likely to come into the legitimate possession of the Data Controller. (If in doubt, Northdoc refers to the definition issued by the Article 29 Working Party, and updated from time to time.)
Sensitive Personal Data	A particular category of Personal data, relating to: Racial or Ethnic Origin, Political Opinions, Religious, Ideological or Philosophical beliefs, Trade Union membership, Information relating to mental or physical health, information in relation to one's Sexual Orientation, information in relation to commission of a crime and information relating to conviction for a criminal offence.
Data Controller	A person or entity who, either alone or with others, controls the content and use of Personal Data by determining the purposes and means by which that Personal Data is processed.
Data Subject	A living individual who is the subject of the Personal Data, i.e. to whom the data relates either directly or indirectly.
Data Processor	A person or entity who processes Personal Data on behalf of a Data Controller on the basis of a formal, written contract, but who is not an employee of the Data Controller, processing such Data in the course of his/her employment.
Data Protection Officer	A person appointed by Northdoc to monitor compliance with the appropriate Data Protection legislation, to deal with Subject Access Requests, and to respond to Data Protection queries from staff members and service recipients
Relevant Filing System	Any set of information in relation to living individuals which is not processed by means of equipment operating automatically (computers), and that is structured, either by reference to individuals, or by reference to criteria relating to individuals, in such a manner that specific information relating to an individual is readily retrievable.
